VOLVO INCREASED PROTECTION

## VEHICLE SERVICE CONTRACTS

When it comes to making a financial investment, there is nothing more valuable than peace of mind. Most major vehicle repairs occur outside of your original new car factory warranty, which is why we offer various Vehicle Service Contracts to help cover unforeseen expenses.

With three coverage levels, we've got you protected. Depending on the age and mileage of your vehicle, you can choose up to six additional years of protection or up to 120,000 miles, whichever comes first.

We recommend all repairs or replacements be made at authorized Volvo dealerships to ensure only Volvo genuine new or Volvo remanufactured parts are used.

## THREE COVERAGE LEVELS\*

\* Your Volvo Service Contract begins on the purchase date of contract. Coverage level availability may be limited based on the age, mileage, make and model of your vehicle. Deductible may apply.
